

Parenting Time Expeditor

A PTE is Court appointed to resolve parenting time disputes that occur under a parenting time order. The PTE assists in resolving parenting time disputes by enforcing, interpreting, clarifying and addressing circumstances not specifically addressed by an existing parenting time order, and if appropriate make a determination as to whether the existing parenting time order has been violated. PTE can be appointed to resolve a one-time dispute or to provide ongoing parenting time resolution services.

There are exceptions to an appointment being ordered. If one of the parties claims to be the victim of domestic abuse by the other party, the court determines there is probable cause that one of the parties or a child of the parties has been physically abused or threatened with physical abuse by the other party or if the party is unable to pay the cost of the PTE.
